OIL PATTERN - GOLDBLOCKS

Goldilocks is a low-volume SKILL pattern designed to be “not too hard and not too soft.”

◇ Pattern length: 40’

◇ Volume: 6.5 to 7.5 mL

◇ Ratio: 3 to 1

The low-volume oil pattern, combined with the SKILL 3.02 bowling ball, creates a stable scoring environment in which “who you follow” doesn’t play a role in your success or failure.

BOWLING BALLS

To level the playing field, everyone is limited to the use of a single SKILL 3.02. Our goal is to create a competitive environment in which “the hand in the ball is more important than the ball in the hand.”

The SKILL 3.02 is available for purchase [HERE](#).
